...THIS IS AN OPPORTUNITY TO DEVELOP THE TOOLS YOU NEED TO OVERCOME THOSE CHALLENGES.

The Second of Three
Consecutive One
Day Seminars
(See Below for Details)

Executive Protection Career Seminar

This highly interactive one day seminar is designed to provide those interested in the executive protection profession, as well as newcomers and up-and-comers just starting out in this field, insights into the challenges of building a successful career in this hyper-competitive profession, the perception of which is often driven more by Hollywood hype than reality, and explore ways in which those challenges may be overcome.

This professional development opportunity features discussions on a wide range of important topics which are facilitated by some of the most accomplished practitioners in the profession today, each of whom provides an educational and, at times, entertaining perspective that can only be gained through firsthand experience. Some of the informative topics that will be explored include:

- “Experience Required”, Avoiding the Pitfalls and Traps When Looking for that First Opportunity
- The Do’s – and More Importantly, Don’ts – of Applying and Interviewing for Your “Dream Job”
- The PSD Niche: What You *MUST* Have to Get Your Foot in the Door
- Transitioning from One Niche to Another; What You Should Know and Do *First*
- You’re Hired; Now Here’s What’s You’ll Need to Do to Stay that Way

This is the Opportunity You’ve Been Looking for to Get Answers to Your Most Important Questions!

- Each Presentation Will be Followed Immediately by a Question & Answer Session Facilitated by the Speaker
- Every Speaker will be available throughout the day for one-on-one discussions on relevant topics

INTERNATIONAL SECURITY

Executive Protection Career Seminar

October 7, 2016 at The National Conference Center
in East Windsor, New Jersey

The Distinguished Speakers for This Event Include:

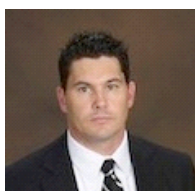

Frank Gallagher
President & CEO, Gallagher Security Advisors

Mr. Gallagher is one of the most highly regarded protection practitioners in the profession today. Among his notable accomplishments are his service as former Secretary of State Henry Kissinger's Director of Security, and his time as the Agent in Charge of the protection detail for Ambassador L. Paul Bremer throughout his tenure as the head of the Coalition Provisional Authority in Iraq. Mr. Gallagher recounted his experiences in Iraq in the bestselling book *The Bremer Detail; Protecting the Most Threatened Man in the World*.

Thomas Williams
Executive Vice President, Amyntor Group

Mr. Williams tenure as a Senior Program Manager in the State Departments' Bureau of Diplomatic Security, High Threat Protection Division, followed by a stint as the Director of Special Programs for Blackwater USA has provided him with unique insights into the overseas high threat/PSD niche of the protection profession. His current role at Amyntor Group continues to provide him visibility to the current status of security challenges and opportunities in high risk locales.

Christopher Marshall
Director of Special Projects, FAM International

Mr. Marshall has an extensive background in managing global security programs and protection operations. Prior to joining FAM International Security, one of the industry's premier service providers, where he manages a broad range of operations and functions he served as the Corporate Director of Security for a prominent national healthcare company. His diverse background and international experience provides him a perspective that is invaluable to newcomers and up-and-comers.

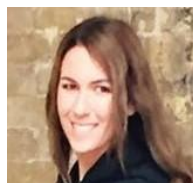

Dale "Chip" McElhattan
Sr. Vice President, Amyntor Group

Mr. McElhattan is a highly decorated former State Department Bureau of Diplomatic Security Service Agent who served in a wide variety of duty positions, including Chief of the Bureau's Special Skills Branch and later, as the Contracting Officer's Representative and Deputy Program Manager during the formative years of the Worldwide Personal Protective Services (WPPS) program. His formidable experience has made him one of the most sought after opinions on High Risk and PSD contracting requirements.

Gerard Boniello
Managing Partner, Omnium Protection Group

Mr. Boniello has more than 25 years experience in the protection profession and is a graduate of some of the most intensive professional development programs in the industry. At various times, he has been responsible for safeguarding Fortune 500 company executives, celebrities, politicians and foreign dignitaries. He has had the pleasure of interacting and working side-by-side with Federal, State and local law enforcement agencies with protection responsibilities, and has experience in both operational and strategic level protection planning and security program design, development and implementation.

Rachel Paskvan
Executive Protection Agent, AS Solutions

Ms. Paskvan represents the "new generation" of protection practitioners and brings a unique perspective to the profession as a female in a male dominated field. In addition to having earned a BA in Global Studies and an MA in International Security, she has attended a number of well established professional training courses and built a well deserved reputation as a principled, professional protection practitioner while serving in a number of increasingly high profile positions with some of the industry's most recognized service providers.
